Professional Summary

Frontend Developer with 8+ years of experience in creating responsive and user-friendly web applications. Skilled in React.js, Angular, and modern web technologies, I have consistently improved user engagement and reduced load times through performance optimization. Successfully led projects that increased user satisfaction by 20% and worked with cross-functional teams to deliver solutions aligned with business goals.

Work Experience

Frontend Developer SoundMint Ltd

03/2022 – 10/2024

- Engineered web applications using React.js and Redux, boosting user engagement by 30% and increasing daily active users by 25%.
- Partnered with designers to craft responsive UI/UX designs, enhancing user satisfaction scores by 20% and reducing bounce rates by 15%.
- Executed unit and integration tests with Jest and Cypress, cutting bugs by 25% and shortening QA testing time by 40%.
- Optimized application performance, achieving a 40% reduction in load times and improving page speed by 50%.

Software Engineer Sotaog Ltd

05/2020 – 09/2021

- Played a key role in constructing Angular applications, resulting in a 15% increase in client retention and a 20% expansion in the user base.
- Created RESTful APIs that elevated system efficiency by 30%.
- Engaged with cross-functional teams to analyze requirements and deliver software products, reducing project delivery time by 20%.
- Produced clean, maintainable code, decreasing code-related issues by 50% and enhancing application stability.
- Assisted in troubleshooting and debugging existing systems, improving application stability and reliability, thereby reducing downtime by 35%.

Junior Frontend Developer

12/2016 – 04/2020

- Designed user interfaces with HTML, CSS, and JavaScript, improving responsiveness and increasing user engagement by 20%.
- Teamed up with design and backend teams to enhance user-facing features, boosting feature adoption rates by 15%.
- Conducted thorough code reviews to optimize performance, resulting in a 30% increase in application speed.
- Integrated APIs to enhance data exchange, reducing data retrieval time by 25%.
- Enhanced existing applications, resolving bugs and increasing system reliability by 20%.

Leadership & Awards:

Recognized as "Employee of the Year" at SoundMint LTD for outstanding contributions to project success and team leadership.

Professional Development:

Completed advanced training in React.js and Angular to stay current with evolving technologies.

Certifications:

Certified JavaScript Developer

Technical Skills

Frontend Development: Proficient in HTML, CSS, JavaScript, and frameworks like React and Angular

Backend Development: Experience with Node.js, PHP, and Python

API Integration: Skilled in integrating third-party APIs

Responsive Design: Ability to create responsive web interfaces using Tailwind CSS, Bootstrap

Version Control: Proficient in Git

Agile Methodologies: Familiar with Agile practices Jira, Trello, Asana

Code Optimization: Focus on writing clean, efficient code

Education

MAY 2016

Bachelor of Computer Science

4.0 GPA • Member of Nagoya University
